Calcutta - All shooters are included at **No Charge**

There is money to be won in the Free Calcutta!

All members should shoot the 100 targets.

Your **Shoot off yardage** is 16 yard line for the 1st 50 targets and

Handicap for the last 50 determined by team's total targets on 1st 50.

Scoring is on the total of 500 targets per team within each division.

Alternates (maximum of 2) will be drawn for the teams

unable to fill a squad of regular members. A "**regular member**"

is one who has shot not less than 1/3 of the season (7 weeks).

Since one cannot shoot against their own team, alternates

will be drawn from outside the division. **Those not drawn will shoot for**

1st, 2nd, & 3rd Place Trophies and the FREE CALCUTTA.

Shooting Schedule:

Last place teams in each division will be up first at 11:00 am on

Sunday. You will shoot 25 targets then move to the second trap.

After all teams in the division have shot their first 50 targets,

the rotation will start again on the same traps for the last 50.
